she should stop wearing so much makeup in 90% of her scenes it kinda ruins her look she looks so much better without it other than that shes pretty much the perfect pornstar

A attractive and busty girl also buxom.

Tits too big and saggy imo. They look like they belong on an XL woman. Kendra Sunderland and Lena Paul both have nicer boobs.

Face - 6/10
Body - 6/10
Boobs - 8/10

Overall - 6/10

Say what you want about AW, but in my opinion she's the GOAT, she been doing this for decades and just keeps looking better with time
Posted by yalmoral | Reply | 5 | 0

> Saying decades makes her sound really old, how about just 20 years. I do agree with you she is definitely on the Mount Rushmore of porn stars.
